

Role: Assistant Estimator

Location: Loughrea, Galway

Salary: Competitive

The Role:

We are seeking an **Assistant Estimator** to join our team. Ideally the successful candidate should have experience in the design and build of Water and Waste Water Treatment Plants and associated water infrastructure.

Requirements:

- Experience in estimating software such as CCS and Programming software. P6 Primavera and Microsoft Project would be advantageous to any successful candidate, however training will be provided as necessary.
- Experience in the design and build of Water and Waste Water Treatment Plants and associated water infrastructure.
- Proven ability to work in a team environment to deliver successful bids will be a key requirement of any successful candidate.

To apply for a position please send CV and cover letter to hr@glanagua.ie.
